

The most important aspect of ALPHA Technical is the people employed. ALPHA Technical staff consists of people with specialized knowledge in professional yachting technical support, that are active in all fields regarding yachting, providing top quality services to our clients.

By investing in our Company's future, we consider each new staff member an essential asset.

We therefore seek new staff members, who:

- Love and respect the sea
- Have passion and enthusiasm for learning / training
- Are dedicated towards their professional goals
- Are creative and innovative

- Are responsible towards our company

Under this philosophy, ALPHA Technical aims to constantly increase its staff member and to have fully ambitious, trained personnel, covering all aspects in the professional yachting field.
